Page No. of the Red Book Reference

Amendments

X-Woollen Textiles and Hosiery etc. and Mixed Fabrics.

26 I

S. No. 2, column 5.

The existing remarks may be substituted by the following:—

"Against export of mixed fabrics containing a mixture of wool and polyester fibre, polyester fibre may be allowed to be imported within the overall licence permissible for 60 % of f.o.b. value, to the extent of actual polyester fibre content plus normal processing wastage. The extent of polyester fibre to be allowed to be imported in each case will be determined by the licensing authority taking into account the actual polyester content of the fabrics/hosiery exported as certified in the preshipment in spection certificate issued by the Textile Committee and giving a suitable allowance for normal processing wastage.

The Import Policy for Registered Exporters for the year April 1967—March 1968 may
be deemed to have been amended accordingly.

(Issued from file No. 1/13/REP/67/EPI)
